

How to link Pegasus bank account(s) to Quicken®

1. Hover over **"Tools"** > Click on **"Add Account"**

2. Click on **"Checking"** (to link Pegasus Bank Account)

3. Type in “**Pegasus Bank**” (Select ***Pegasus Bank-Consumer***)

The screenshot shows a window titled "Add Checking Account" with a search bar containing "Pegasus Bank". Below the search bar, under the heading "All results", there are two entries: "Pegasus Bank - Internet Banking" and "Pegasus Bank- Consumer". The "Pegasus Bank- Consumer" entry is highlighted in yellow. At the bottom of the window, there are buttons for "Cancel", "Back", and "Next".

4. Enter ***Pegasus Bank Username*** and ***Direct Connect Password*** (it's the one you created during the connectivity registration)

The screenshot shows the "Add Checking Account" window for "Pegasus Bank- Consumer". The window displays the bank's name and contact information: "WEB: www.pegasusbankdallas.com | TEL: 1-866-714-5776". There are two input fields: "Pegasus Bank- Consumer User ID / User Name" with the value "johndoe" and "Pegasus Bank- Consumer password" with masked characters "*****". A "Show" button is next to the password field. Below the password field is a checkbox labeled "Save this password". On the right side, there is a yellow box with a lock icon and the text "Your credentials are safe with Quicken", followed by a security message and a link "Learn more about our security". At the bottom, there are buttons for "Cancel", "Back", and "Connect".
